

## UNA-USA NNJ GIRL YOUTH STORYTELLING CHALLENGE

In commemoration of International Day of the Girl, the UNA-USA NNJ Youth and Community Engagement Committee will be hosting a girl youth storytelling challenge to showcase personal conversations with girls in Northern New Jersey who are engaging youth by launching local initiatives that have a regional or global impact. The aim of this storytelling challenge is to amplify the exemplary work girls in Northern NJ are doing to make their mark around Sustainable Development Goals (SDGs) in this world and provide them with a platform to inspire other girls.
